

## President's Message

**Exciting things are happening at FAA Credit Union and we want you to be part of them.**

We recently launched our new *Flightline* online banking platform and mobile banking site. Both of these services are designed to make navigating your accounts easier. Additionally, you can customize your *Flightline* dashboard and work through a number of self-service options that weren't previously available, such as address changes, password resets and automatic transfers. Be sure to register for the new site by July 15, 2014, as the current system will no longer be available after this date. Mobile banking users will also need to register for the new site using a non-mobile device.

Another service coming soon to a smart phone near you is Mobile Deposit Capture! You have been asking for this service and we are happy to deliver. It is scheduled to be here in the early fall. It will allow you to take a photo of your check and deposit it from any location, worldwide. Stay tuned for more information and release dates.

In addition to the new services that are being offered, we continue to host Member Appreciation Days at all of our branches. Please take a moment to look at the dates listed in this newsletter. We invite you to bring your family to these events. It's a great time to see you, and thank you for your business.

Truly, we would like to hear your thoughts about the service you receive at FAA Credit Union. Last year we implemented a mantra of Serve. Empower. Enrich., and our job is to make sure you feel this is happening every time you conduct business with us.

Please take a moment to tell us how we are doing. We've placed survey cards in all of our lobbies, a link on our mobile app, or you can visit [www.faaecu.org/survey](http://www.faaecu.org/survey). We value your feedback.

We appreciate your membership.

## What We've Been Up To

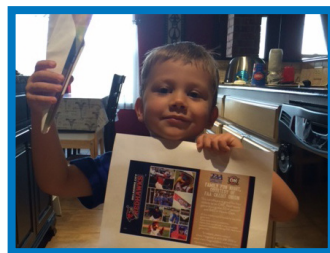

### Youth Week

This April, we celebrated our youth members during Youth Week. We asked them to show us how they soar, by decorating a FAA CU paper airplane. To encourage participation we held a contest in four age categories. Might we just say, our youth members are very talented and imaginative.

### Shred Week

In celebration of Earth Day, we held our annual Shred Week, where we encouraged members to bring their paper items to our branches to shred and recycle. Because our members find this service valuable, **we are now providing complimentary shredding year round.** Shred bins are located in each of our branches for your convenience.

Help us congratulate our Youth Week winners:

**Essick Wolf - 1 to 4 years**

**Mason Currin-Moore  
5 to 7 years**

**Aaron Chesnut - 8 to 12 years  
Avril Cowo - 13 to 17 years  
(not pictured)**

## Coming Soon to a Mobile Device Near You

It's one of the newest trends in mobile banking, you've been asking for it and soon it will be available for FAA CU members, it's **Mobile Deposit Capture.** This convenient service will be available this fall and will allow members all over the world to deposit checks with a simple snap shot from a mobile device camera. Mobile Deposit Capture is a secure alternative to visiting a branch to deposit a check.

More information about this new service will be available soon. We encourage you to visit **faaecu.org** for additional information in the coming months, as well as follow us on our social media channels, facebook.com/faacreditunion and @faacreditunion on Twitter.

## Making Back-to-School Cool

Pencils, pens, notebook paper, crayons, markers, new clothes, new shoes, haircuts, ahh! We could go on-and-on about the back-to-school expenses, but you get the idea.

This August, when you shop with your FAA CU Visa® Platinum, Gold, or Cash Back Credit Card you will earn **double rewards**. The best part is, it's for all your purchases during the month of August, not just back-to-school items. So, grab your bag, shop till you drop and earn baby earn!

## FLIGHTLINE

### Taking Flight with the new *Flightline*

It has been years in the making, and now our new *Flightline* is up and running! The new system offers additional security, customizable widgets, a modern dashboard and many easy to use features.

**Registration is on-going and must be completed by July 15, 2014.** After this date the old *Flightline* will no longer be available.

Mobile App users are required to register on a non-mobile device to maintain account

access through the mobile site. It is not necessary to download a new app from the app store, unless you are using the FAA CU app with a blue icon.

We encourage members to visit [faaecu.org](http://faaecu.org) to learn more about the new *Flightline*, review frequently asked questions and to register. As always, please feel free to contact us at 405.682.1990 or visit any of our branches with questions.

## Saving Money & Changing Lives One CSA at a Time

*A member came in today who had his complimentary Credit Score Analysis (CSA) in September 2013. At the time, he didn't have a credit score, so we provided him a small loan on his vehicle and a secured credit card. Seven months later, we pulled his credit and his score had climbed to 714. We were able to lower his auto loan interest by 3%, saving him hundreds over the remainder of his loan.*

"Being able to improve my members' financial situation is why I love what I do. It's no secret that financial strains can cause problems in most other areas of your life. With my experience, I am able to educate members and help guide them towards financial decisions that will positively impact their lives," states Tarah, FAA CU Financial Services Representative.

If you haven't already had your complimentary CSA, we encourage you to come see us. To date, the CSA program has helped save members more than \$11 million in potential interest. Visit [faaecu.org](http://faaecu.org) to learn more.

## Summer Fun!

Spice up your summer with a trip to Frontier City or White Water Bay. We are proud to offer discounted tickets to both parks. Tickets are available at all seven branches for \$21 each. One dollar of each ticket sale is donated to Children's Miracle Network, and stays right here in central Oklahoma.

If rollercoasters and water rides aren't your thing, maybe you'd enjoy a free outdoor movie night with your family and friends. We are proud to partner with the Oklahoma Boathouse Foundation for the Summer Movies Series. Grab a blanket, lawn chair, your favorite snack and your family and friends and head down to the Oklahoma River for some summer fun.

Movies begin at 8:30 p.m. on the lawn at the Chesapeake Finish Line Tower.
